Education

Political Science and International Relations

September 2012 — June 2017

Bogazici University

I have been elected as representative of students for Bogazici University Saritepe Campus and served between 2012 and 2013 and led projects such as 10-year Development Process. Recreating places to fit the needs and wants of the people is especially important for me. In this year, I have learnt to communicate and lead people for common ends.

I was elected as a member of Student Council of Bogazici University between 2014 and 2015. In this year I lost the autonomy of leading only one campus. In the Council, every idea was discussed in detail to make sure that we do the right thing.

Political Science and International Relations

September 2015 — July 2016

Middle East Technical University

This is a one year Exchange Program between my home university and host university, Boğaziçi and METU respectively.

Social Policy MA

September 2017 — Present

Boğaziçi University

MA program on Social Policy for two years one dedicated for thesis. Area of interests are sexual health policies, effects of these policies on disadvantaged groups, labor movements with special focus on precarity and social dialogue.

Work experience

Safranbolu Aviation

June 2007 — June 2013

Organizer of Foreign Relations

I was in charge of general foreign relations of our family company. The job includes preparing offers, making offers, contacting several agencies which are located abroad. The business was mainly focused on Italy and Germany. Mainly written communication.

Escape Adventures

June 2013 — September 2013

Sales Representative

I was in sales department which was based in a 5-Star hotel in Fethiye. My duty was to sell various adventures events to people staying at hotel and if necessary escort them while they enjoy the activities.

Mainly face-to-face communication. It helped me develop my English speaking level to a fluent one.

Researcher

I am a researcher in Social Policy Forum and I am in charge of examining labor issues focusing on social dialogue mechanisms of Turkey. I'm assisting projects on labor and labor politics.
